

# South West Sydney Ageing Forum Sector Support & Development Updates June 2025

# Key take-aways

<u>Department of Health & Aged Care</u> and the <u>Aged Care Quality and Safety Commission</u>:

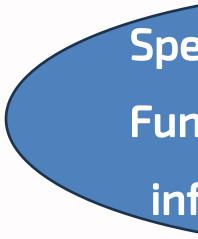

Aged Care Reforms:

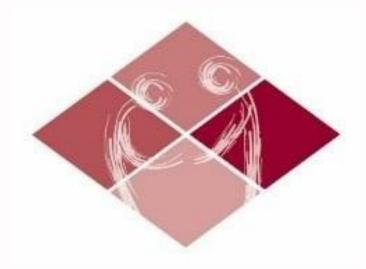

new Rights-based Aged Care Act – 1 July

Information and support for aged care providers and their clients

Resources, training and events for the sector

Speak with your Manager/ **Funding Manager for more** information and support

# How does the new Rights-based **Aged Care Act affect me?**

- aged care providers
- aged care workers
- the broader care sector
- $\succ$  the government agencies responsible for supporting, delivering,

regulating and overseeing the aged care system, including:

- the Department of Health, Disability and Ageing
- the <u>Aged Care Quality and Safety Commission</u>
- <u>Services Australia</u>.

# **Aged Care Reforms - 1 July**

# New Aged Care Rights-based Act

✓ the Australian Government's response to the Aged Care Taskforce recommendations

✓ the new Support at Home program ( replaces Home Care Packages Program and Short-Term Restorative Care Programme). With the CHSP transition to Support at Home program no earlier than July 2027.

✓ strengthened Aged Care Quality Standards

 stronger powers for the Aged Care Quality and Safety Commission – Strengthened Aged Care Regulatory Model

✓ Statement of Rights for older people.

# **Aged Care Reforms - 1 July**

# The new Rights-based Aged Care Act

- ✓ Rights older people
- $\checkmark$  Single Entry point
- ✓ Equitable Single Assessment Framework
- ✓ Delivery of aged care services
- ✓ Accountability arrangements and obligations (Regulatory model)

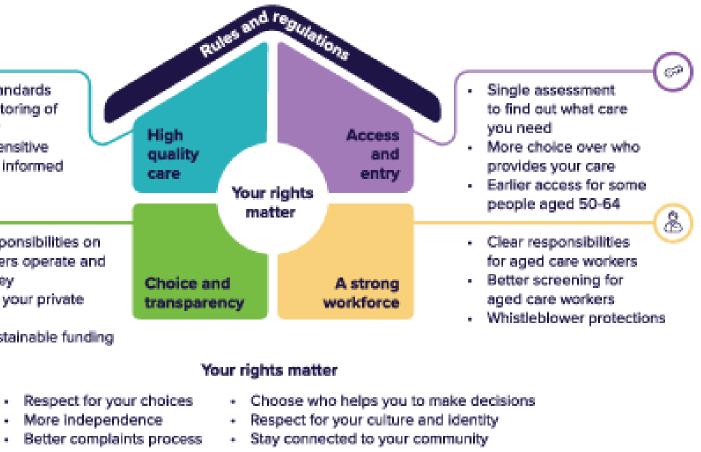

## The new Aged Care Act puts you at the centre of your aged care

- Stronger standards Better monitoring of
- care quality
- Culturally sensitive and trauma informed

- Greater responsibilities on how providers operate and spend money
- Respect for your private information
- Fair and sustainable funding

The new Aged Care Act puts you at the centre of your aged care. This visual outlines the main parts of the new Act and how they work together.

It will make aged care safer, fairer and more respectful. This visual outlines the main parts of the new Act and how they work together.

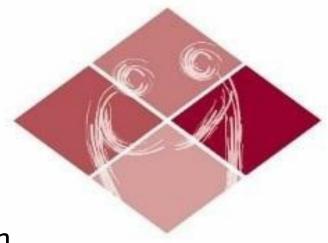

# New Aged Care Act – 1 July **Key Changes for Providers**

## **Obligations and Compliance**

- Provider Registration Preview Process (April 25-June 25) The provider registration preview is an opportunity for providers to review their registration details and proposed registration categories before the new Aged Care Act starts on 1 July 2025
- > Starting 1 July 2025, all aged care service providers must be registered by the Aged Care Quality and Safety **<u>Commission</u>** to deliver government-funded services (existing providers automatically deemed and approved)
- > The deeming process aims to simplify the transition to the new Act. It will make sure you can continue to provide services that protect the safety and welfare of older people
- Providers should ensure their actions are consistent with the Statement of Rights

For more information: Reform changes for providers | Aged Care Quality and Safety Commission

# New Aged Care Act - 1 July

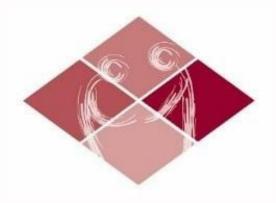

# **Key Changes for Providers contd.**

Transitional arrangements for new <u>aged care workers screening</u> starts (will make sure new screening applications are processed efficiently and workers can continue to work without interruption)

Reforms to means testing in residential care and Support at Home

- Publication of the Financial Report on the Australian aged care sector (FRAACS) 23-24
- Introduction of <u>Supported Decision-Making</u> (Older people will be able to register) one or more people of their choice to assist them in their decision-making under the new Act)
- Funding for existing <u>CHSP service providers will be extended from 1 July 2025 to</u> <u>30 June 2027</u> and will operate under the new Act.

# Commonwealth Home Support Programme (CHSP) provider update – Draft Aged Care Rules

The Department of Health and Aged Care (the department) will be briefing the The Department of relation and Ageo Lare (the department) will be brending the government on proposed transitional arrangements for existing CHSP clients for new continuous to the stand Core Distance 2026 (stands Distance) requirements in the draft Aged Care Rules 2025 (draft Rules). This update provides further information about the Draft Aged Care Rules how they will apply to the Commonwealth Home Support Programme (CHSP). The draft Rules were publicly released for consultation on 15 April 2025 and feedback is due by 13 May 2025

This document provides additional information on how the draft Rules for service agreements This occurrent provides additional mormation on now the draft rules for service agreements care and services plans and the provision of information to individuals will be applied to

The new Aged Care Act and CHSP The new Aged Care Act 2024 (new Act) comes into effect from 1 July 2025 and will change in-The new Aged Care Act 2024 (new Act) comes into effect from 1 July 2020 and will change aged care, including the CHSP. There will be changes to the way that services are not set and and act and a transmission of the composition of the compos home aged care, including the CHSP. There will be changes to the way that services are regulated and delivered. These changes will help ensure CHSP providers are compliant with the new Act from 4. July 2020 Draft Rules and transitional arrangements for CHSP

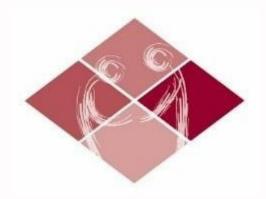

The purpose of the draft Rules is to provide further detail and instruction on how the new Act will the sector the sector the Cauce considered. The draft bldge base base base without will The purpose or the oran roues is to provide turner decar and instruction on now me new row work and what this means for the CHSp providers. The draft Rules have been published in stages to allow the community and aged care sector time to provide foedback. While most of these draft Rules already exist in aged care, they have been updated to match the language of the new Act. These include the requirements for registered providers to provide information to clients and enter into a service agreement and care and services

plan with clients when accessing funded aged care services. Requirements for service agreements The draft Rules propose that, from 1 July 2025, a service agreement between CHSP providers

The usar routes propose mar, nominioury cuco, a service agreement between unour pro-and clients will bring together important requirements of the current CHSp in one place. and crems will omig logener important requirements or me current under in one parce. These requirements have also been updated to match the language of the new Act. This is to another advances advances and attracted and attracted and attracted and attracted attractions and attracted at These requirements have also been updated to match the language of the new Act. This is to support clarity of services, charges and other obligations of CHSP providers and ensure that the risks of relies ensure tradeold.

## What is staying the same for older people?

- Existing HCP recipients will be transitioned to the new Support at Home program at the same budget level and will retain any unspent funds.
- Existing HCP recipients will continue to receive the same services if they are listed on the Support at Home service list.
- People who are waiting on the National Priority System for a Home Care Package will receive a budget equivalent to the package they are waiting for when available.
- A 'no worse off principle' will apply to the contributions arrangements for people who, on 12 September 2024, were either receiving a package, on the National Priority System, or assessed as eligible for a package.
- This group will make the same contributions, or lower, than they would have had under Home Care Package (HCP) Program arrangements.
- Existing HCP recipients will remain with their current HCP provider
- Managed transition to ensure continuity of services

### Support at Home User Guide (assist in-home care providers with submitting claims through

### Services Australia's Aged Care Provider Portal) - 1 July

Providers can register and access the portal to:

## Support at Home User Guide – submitting claims to the Aged Care Provider

Applicable from 1 July 2025

Note: System development and testing is in progress. This guide may be

Version 1 (April 2025)

## Key changes for providers and participants

## Still to Come..

- $\blacktriangleright$  Continuity of care (the new terminology for security of tenure)
- Provider obligations and registration conditions
- Additional details re <u>wellness and reablement</u>
- Additional details re the S@H priority system and access to interim funding
- Service agreements Income and assets assessments
- End-of-Life Pathway Form
- Service Australia claiming guidance
- Cancellations and no shows
- Monthly Statements
- Program linkages (S@H relationships with CHSP, Transition Care, Residential Care, MPS, ATSI aged care, NDIS and Disability Support for Older Australians)

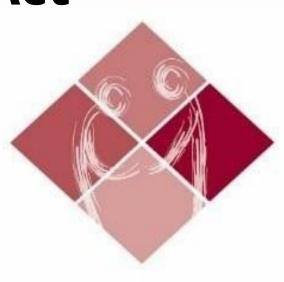

# **Transitioning CHSP Clients under the new Aged Care Act**

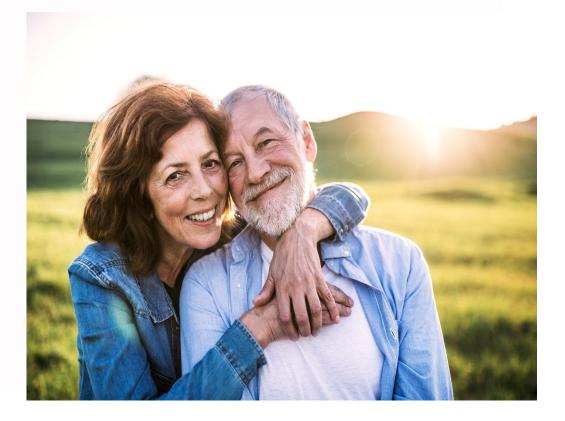

- From 1 July, the Commonwealth Home Support Programme (CHSP) will be regulated under the new Aged Care Act.  $\checkmark$
- CHSP clients must be assessed as eligible for CHSP through a My Aged Care assessment to receive government- $\checkmark$ subsidised CHSP services.
- The majority of CHSP clients will be transitioned under the new Aged Care Act because they have previously been assessed as eligible for CHSP.
- The Department is supporting current CHSP clients who have not had an aged care assessment to get an assessment  $\checkmark$ before the new Aged Care Act starts on 1 July.
- CHSP providers will be contacted and provided guidance documents that have historically provided CHSP services to  $\checkmark$ unassessed clients.
- If a <u>CHSP provider has not had an aged care assessment,</u> they will <u>not</u> be able to keep providing services to these  $\checkmark$ clients unless they apply for and have an aged care assessment by 30 June this year.
- The Department expects all CHSPproviders currentlyhave care and services plans in place with their clients  $\checkmark$

For more information, please read:

- The new regulatory model Guidance for CHSP providers
- CHSP client transition letter for providers
- CHSP client transition provider fact sheet
- Letter template for unassessed CHSP clients.

# CHSP updates to come..

# CHSP contracting process has commenced (grant agreement valid for 2 years, 1 July25 - June 27) From July 25

- CHSP providers will deliver services in line with the new Aged Care Act and the new service list
- CHSP providers will submit DEX reporting which includes the client's My Aged Care ID

## Pricing CHSP Services in 2025-27 (No change to client contribution arrangements)

The Support at Home Program is staging the introduction of price caps on services to commence 1 July 26

## Grant Agreements 2025-27

No reduction in funding

Changes to DEX reporting - A provider toolkit will be available for CHSP services

## **Consultation: Support At Home Cost Collection (online) - ends 31 July**

The Independent Health and Aged Care Pricing Authority (IHACPA) invites in-home aged care providers to express interest in the Support at Home Cost Collection 2025.

The collection will help IHACPA:

- understand current costs •
- identify opportunities for you to better track and manage costs and build on your costing and data infrastructure •
- address cost reporting challenges •
- develop evidence-based pricing advice to the government for the Support at Home service list. •

All in-home aged care providers are invited to express interest, including those supporting:

- Aboriginal and Torres Strait Islander people
- rural and remote areas
- culturally and linguistically diverse groups

For more information please go to: https://www.agedcareengagement.health.gov.au/engagement/support-at-home-cost-collection-2025. Contact email: agedcarecosting@ihacpa.gov.au

# **Training for CHSP Providers**
